**Mel Elliott : Colour Me Swiftly (Colour Me Good)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Colour Me Swiftly (Colour Me Good):

1 of 1 people found the following review helpful. Five Stars By Toni C. Steedly My granddaughter loves it! 0 of 1 people found the following review helpful. Not good By Cathy Seng Poor quality. Looked like it had been copied from a home computer printer 14 of 15 people found the following review helpful. don't bother By christine swinson Sorry, but I can't recommend this coloring book. I bought it because I like Taylor, but most of the drawings look nothing like her. The one on the cover does, so I was led to believe the others would as well -- but they don't. OK, a few others do, kind of, but some not at all. Oh, and it took me less than 5 minutes to color in the one page that I completed. Not worth the money, and not at all fun or satisfying. I'm seriously considering throwing out my book. I wish I could say something more positive, but on this one, I can't.

2014 was undoubtedly "The Year Of The Swift" in my opinion. If she wasn't shakin' it off to one of the best pop tunes in decades, she was offering brilliant feminist sound-bites to get her young "swifties" feeling strong, independent and powerful. Here's counting the days until Taylor rules the world... but in the meantime, why not use your felt-tip pens and this book for hours of creative fun! The coloring book contains 16 black line drawings by Mel Elliott for you to colour in.

About the Author, a pop artist and RCA graduate, began self-publishing under the label I LOVE MEL in 2009, and her

Colour Me Good range of grown-up coloring books have received international critical acclaim. Currently living on the South Coast (UK), Mel Elliott graduated from the Royal College of Art in 2007, and began self-publishing grown-up 'fun books', after a short stint in advertising. Combining her love of pop culture and illustrative talents, she produces material that is close to her heart and produces the stuff that she wants to buy.
