**Morgan Spurlock : Comic-Con Episode IV: A Fan's Hope** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Comic-Con Episode IV: A Fan's Hope:

1 of 1 people found the following review helpful. and this book is a great reflection of what you experience while being at the ...By Steve I.If you have ever been to Comic Con, you have to get this book. I have been going for nine years now, and this book is a great reflection of what you experience while being at the Con!5 of 5 people found the following review helpful. Great book for Comic Con fans!!By Casey FlorigWhat a great book!!! It is full of pictures of both celebrities and fans. It really captures the craziness that is Comic Con. The pictures appear to be from Comic Con 2010 and I made it on Page 15. :) Great collectible for those who attended as well as those who love video game, comic and movie pop culture. This would be a great book to bring back to Comic Con for autographs.1 of 1 people found the following review helpful. Better off getting the limited edition.By JCWhy you ask? Because ultimately you buy this for the pictures, not because you want to read the little quotes from famous people. And the limited edition gives you more pictures. I hate when there's a basic and limited versions of anything. Is the movie gonna be same way? Will there be a theatrical and director's cut of the Comic Con experience? Laughable.

A photographic look at the world's most exciting pop-culture event. One of the entertainment industry's most exhilarating, eccentric, and influential events of the year, San Diego Comic-Con International celebrates the weird, wacky, and wonderful world of TV, movies, graphic novels, and let's not forget, comics. Oscar-nominated director and fanboy himself Morgan Spurlock captures the magic and madness of Comic-Con in a new documentary. This companion book is a photographic celebration of the convention's heart and soul: the fans who attend in costume, in droves, with their kids, with their parents and with love, awe, and admiration in their hearts. Hundreds of stunning photos capture the whimsy and wonder, and are accompanied by interviews with the many celebrities who attend, as much to promote their projects as to be part of the fandom: Kevin Smith Seth Green Todd McFarlane Bill Plympton Guillermo del Toro Ellen Page Bryan Singer Eli Roth Kenneth Branagh Seth Rogen Matt Groening Ron Perlman Nathan Fillion Olivia Wilde Gerard Way Frank Miller Tara McPherson and many more Comic-Con: An All-Access Look at the World's Largest Pop-Culture Event brings the magic, the masquerade, and the mayhem to you no ticket required. Morgan Spurlock was nominated for an Academy Award for Best Documentary for his debut film, Super Size Me. He followed up with the well-received Where in the World is Osama Bin Laden, and produced three seasons of the acclaimed TV series 30 Days. Spurlock conceived, wrote, and directed The Simpsons's 20th Anniversary Special in 3-D! On Ice and contributed to the feature-length adaptation of the New York Times Bestseller Freakonomics. His most recent project, The Greatest Movie Ever Sold, hit theaters in 2011. Alba Tull is an accomplished photographer who has worked with artists and musicians including The Edge (of U2), Jimmy Page, Guillermo del Toro, Bryan Singer, and others. Mrs. Tull's work has been published and exhibited around the world. She served as the photographer and associate producer of Davis Guggenheim's It Might Get Loud, and she is currently working on a special project for the American Film Institute (AFI).
