Alex G. Malloy : Comics Values Annual 2005 before purchasing it in order to gage whether or not it would be worth my time, and all praised Comics Values Annual 2005:

11 of 12 people found the following review helpful. The best Price guide on the marketBy RJ MichaelsEvery year, when this time comes around I'm happy for two reasons. First it is Spring, and we can stop wearing all those heavy winter clothes, and second because the new CVA is in (or is it the other way around?)CVA is easily the bestest, most organized, and fully realized comicbook price guide on the market. It is assembled by a crack team of professionals

dedicated to the project, and thoroughly respected in the field of comics and collectibles. This one far and away beats the competition. Always with great articles and/or interviews, as well as easily organized into "company" chapters, which makes finding specific titles much simpler. Yes boys and girls, this one is - most definitely - the cat's meow!

Comics Values Annual 2005 offers collectors, investors and dealers everything they've come to expect from this all-encompassing reference. This colossal edition packs nearly 100,000 classic and contemporary comics and more than 1,000 photographs into hundreds of user-friendly, well organized pages. Each listing is cross-referenced and includes issue number, title, date, artist and current collector dollar value. Readers will find updated listings and prices for Acclaim, Classics Illustrated, Dark Horse, DC, Marvel and more. Special sections are devoted to the highly collectible Golden Age, Color Comics, Black White comics, and Underground comics.

About the Author Alex Malloy is the creator of two comics collectors magazines. Malloy regularly receives magazine, newspaper, radio and television interview requests regarding comic book values.
