We are by no means woodworkers, but the plans look reasonably easy to follow and we look forward to making a few things from this book.0 of 0 people found the following review helpful. Four StarsBy Roger F. EdlinVery good. everything I expected.0 of 0 people found the following review helpful. Great Book!By Michael B.Good condition book, great project ideas and even has some schematics!

Plans for constructing 16 pieces based on careful study and measurement of rare originals from 1100-1500. Includes a bench, chair, table, chest, bed, door, wine cabinet, candlestand, and cradle.
