The book has lots of projects and rather than rely on copy machines--and having to enlarge like 300% (okay there may be one of those), the actual cards, stencils and stickers are right in the book ready for you to use. The style is like Country Living Magazine projects--cute little sketchy designs and using things from nature and bits and pieces--many of which I already have. There are some projects you've seen before--like the potholder eyeglass case--and I don't think I'll make the terrarium out of old picture frames--but I was not disappointed with this little book. It will not be around for next year as I intend to punch out and use just about everything in it.Some of tThe chapters areTHE JOY OF GIVINGDELICIOUS GIFTS FROM THE CHRISTMAS KITCHENTO THE TABLEDAZZLING DECORATIONSWRAP IT UP0 of 0 people found the

I love this little treasure! The printing is vivid and the illustrations truly depict country living. I plan to give copies to my crafty friends this holiday season.

'Tis the season, and what better way to celebrate than by inviting a bit of Country Living into your home? Stuffed with do-it-yourself Christmas gifts, crafts, and decorations, from pullout recipe cards, table toppers, and creative wrapping solutions to ornaments, gingerbread-house templates, and more, Deck the Halls is fa-la-la-labulous holiday fun and the perfect all-inclusive package to help plan a no-holds-barred festive celebration.
