Great book and great selection!0 of 0 people found the following review helpful. Great Crafting BookBy Trenee' ZweigleExcellent book and pictures, comes with cool DVD. Many different ideas and instructions on crafting that you can always use.

Recalling pleasantries from a bygone era, this charming collection of vintage illustrations depicts beautiful women and handsome men, lush floral bouquets and bowls of fruit, rustic country scenes, and children playing together as well as with pets and toys. A handy source of images for graphic artists. 371 full-color illustrations.
