Tone Finnanger : Crafting Christmas Gifts before purchasing it in order to gage whether or not it would be worth my time, and all praised Crafting Christmas Gifts:

0 of 0 people found the following review helpful. Love the Dolls!By Jack's MumThere are many cute projects - I just absolutely love the book. So you are wondering why I didn't give it 5 stars - that is because the directions are not good. If I didn't know how to sew, I would not be able to complete the dolls. The directions are inadequate.0 of 0 people found the following review helpful. So many great ideasBy J. SheppardThis book was filled with so many great ideas presented with very simple patterns that are easily customizable.It's a bit strange that patterns overlap each other on a single page so you may need multiple copies of the same pattern page, but this was obviously done to conserve space and is not at all hindering.I love all the craft books by this author! Her characters are endearing and timeless.0 of 0 people found the following review helpful. I love "Tilda" booksBy G. S. CookI made the cutest little Santa from this book for a friend a couple years ago and lately I've been planning to make some more things. Found that there are

LOTS of ideas of how to dress dolls on Pinterest under "Tilda" which has awakened the dollmaker in me again!

Features 25 adorable projects, including angels, snowmen, reindeer and other yuletide favorites *Covers a variety of cute Christmas characters that will appeal to friends and family of all ages *Every project is hand-sewn and comes complete with easy-to-follow instructions and templates *Includes detailed information on techniques and patterns for making the projects' distinctive clothes and faces With this charming collection of easy step-by-step projects, crafters can choose from more than two dozen loveable characters in rich, sumptuous shades that are ready for Christmas. Readers will find traditional Christmas characters like angels and snowmen as well as novelties like applique penguins, mice, and advent calendars. All of the projects use widely available fabrics and actual-size templates. Crafting Christmas Gifts also includes instructions for delightfully simple Christmas cards, hearts, tree decorations and gift bags.

About the AuthorTone Finnanger has a distinctive style that is popular with crafters of all ages and abilities. She has written several needlecraft books, including Crafting Springtime Gifts.
