Love crafting? Then you'll love these 35 projects, which are perfect to make at parties and sleepovers, or even just by yourself! Together with her friends, Charlotte Liddle has designed 35 projects, which are all easy to make, using a variety of crafting methods. If sewing is your thing, the picture cushion is a great way of capturing memories of fun times, or the fabric jewellery will make you stand out from the crowd with your own unique style. Those who are handy with needles and yarn will find knitting patterns for panda slipper socks, cosy mittens and a fashionable headband, while if you prefer papercrafts, you can create pretty paper bunting to hang up in your room, or photo

accessories - glasses, bow ties, lips and moustaches - for when you're messing around with your camera. And there are even more crafts to try - from tie-dyeing a T-shirt to making nail polish jewellery. Divided into four chapters - For Your Bedroom, Clothes and Accessories, Jewellery and Party Time - the book also includes a techniques section to help you with anything you may be unsure about.
