I was looking for special canine projects - things you couldn't find elsewhere.1 of 1 people found the following review helpful. Measurements offBy AMP0198I've been planning to make the shopping carrier bag and the measurements are super weird. I'm an experienced sewist and I'm afraid to cut out the pieces because they make no sense at all in how they are supposed to fit together. I can't find any book corrections on the AQS website. I like the look of the bag so maybe I'll make my own directions/measurements to achieve something similar. Only good project in the book. Waste of money.
