DonaldsonI ordered this for one on my grandsons because it wasn't about making jewelry or flowers. He loved it!! And so do the other grandkids, including my granddaughter! Maureen Carlson's signature spirit of whimsy permeates this book. We all love it and are looking forward to having fun with it for years to come. I highly recommend it for folks who want to get their youngsters involved with clay!1 of 1 people found the following review helpful. Working with all ages can be difficult, but she shows ideas from the most simple and then advances from there. These whimsical creatures are sure to please everyone.

Make all kinds of crazy creatures with lightweight, air dry clay! With Crazy Clay Creatures, you'll never say "I'm bored" again! Using super lightweight, air dry clay that's easy to find in any craft store, you will create lots of projects that will give you and your friends hours of fun activities. You'll learn how to make an army of characters with crazy shaped heads and bodies, and you'll love how easy it is. You'll be making trolls, goblins, mummies and werewolves before you know it! And just wait until you get to the dragons and dinosaurs. Hey Parents! This book: Includes 20 step-by-step clay projects for children, including dinosaurs, dragons, monsters, frogs, orangutans and more. Uses inexpensive air dry clay that is widely available in a variety of colors and that won't require special tools or tons of clean up. Will give kids ages 4-12 (or the kid in you!) hours of activities.
