HornDespite the fact that I had plenty of warning that this is a "print on demand" book with uncoated paper and the "best quality printers," I was extremely disappointed in this \$29.95 book. The cover is beautiful and is what sold me on it, but the pictures inside are too small, out of focus, muted, and muddy,0 of 0 people found the following review helpful. Crazy Quilt OdysseyBy DDI have every book Judith Baker Montano has written. I also have her DVD. She is , BY FAR, the best example if an instructor, artist, and seamstress in the world.I just love the way she puts forth every piece of methodology in creating artwork.I so look forward to her next DVD.0 of 0 people found the following review helpful. beautifulBy birdgood book

Important Note about PRINT ON DEMAND Editions: You are purchasing a print on demand edition of this book. This book is printed individually on uncoated (non-glossy) paper with the best quality printers available. The printing quality of this copy will vary from the original offset printing edition and may look more saturated. The information presented in this version is the same as the latest edition. Any pattern pullouts have been separated and presented as single pages. If the pullout patterns are missing, please contact ct publishing.
