LOTS OF IDEAS FOR CRAZY STITCHINGBy CustomerGOOD TAKE ALONG PAMPHLET, GIVES GOOD DETAIL ON HOW TO SEW CRAZY STITCHES.1 of 1 people found the following review helpful. Great BookBy A. PierceThis book is from the Pocket Guide series. It is a laminated folded booklet with picture instructions (no written). It also lists the types of thread to use and the needles. It's 4 1/2" x 8 1/2" which is small enough to carry with your projects. Great for the hand sewer.

This handy laminated reference guide offers you a variety of basic embroidery stitches, variations, and combinations to be used as seam coverings for your crazy quilt. We've also included spider and web motifs, common Victorian symbols of good luck.
