Love Love Love itBy JadieI keep looking for more of Sandi's books. I watched her on TV and have purchased all of her books. She is very creative and innovative.

Crafters already know Sandi Genovese as the host of the popular TV show *DIY Scrapbooking* which runs daily and has 5,000,000 viewers and one of the most respected names in paper crafts. So they'll be thrilled to have a DVD that lets them watch Sandi presenting her signature techniques (die-cuts, pockets, frames, and pop-ups) whenever they want. As always, Genovese provides loads of inspiration and guidance.
