When it arrived it was all wet and about the first 10 or so pages were stuck together. I wanted to send it back but she of course said it was okay. Please in the future mail it so that this cannot happen.1 of 1 people found the following review helpful. Excellent.By Regina M. HoepfA book worth buying if your thinking of starting out making candles. Colour photo's are certainly motivating, and the instructions are clear and easy to understand. Love it!0 of 0 people found the following review helpful. Arrived on Time in Good condition!By RoxiLove this book! Arrived on time and in great condition! I would definitely recommend this company to others! Better than other books I looked at and glad I went with this book!
