**Linda Mullins : Creating Heirloom Teddy Bears, Series 2** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creating Heirloom Teddy Bears, Series 2:

A sequel to the popular Creating Heirloom Teddy Bears, this book has 12 new teddy patterns of memorable bears from Linda Mullins' private collection with complete instructions on how to make them. The combination of getting the "look" of the Antique teddies with the use of modern materials and techniques makes this book a necessity for all bear makers. The charming illustrations by Gisele Nash are a delight. 12 color photos plus line drawings. 96 pages. 8 1/2" x
