Excellent ResourceBy AgsunshlneThis is a great book for ideas and stepping into new techniques for scrapbooking and card-making. I can't even mark pages to look back at or I'd be marking them all! You can find steps for the techniques and alternative takes for the same technique. The pictures are great and there are plenty of lay-outs to inspire. I really enjoy this book.0 of 0 people found the following review helpful. Helpful pictures to get started in scrapbookingBy Gloria S.I am glad I purchased this book because it gave me
