They love to draw with markers so what better way to show them how they can color a scarf or plain white tennis shoes. Lots of fun stuff. The colors fade if not heat set so if it's possible, try to heat set the project when it's done and dry. Ironing or putting in a hot dryer is what I do.2 of 2 people found the following

review helpful. Recipe for fun for EVERYONE!By Christine MoranIf you want to have some fun and create lively colorful garments then get this book and you will have a ball. These projects can be done by anyone including children, who will love decorating their old t-shirts with sharpies. All the directions are in this book and you probably have everything at home right now.0 of 0 people found the following review helpful. there are a number of hints for dying fabric with easily accessible paints and dyesBy Elizabeth LewisThe book is very interesting but I have not had time to experiment with it. However, there are a number of hints for dying fabric with easily accessible paints and dyes.

Experience the excitement of dyeing your own fabrics with simple materials... permanent markers, alcohol inks and alcohol. Over 40 techniques make this book a valuable reference for every fabric lover.
