**Marie Browning : Creative Photo Collage** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Photo Collage:

Every photo captures a precious memory and Creative Photo Collage is a complete guide to collecting, archiving, and presenting those treasured, personal images. Consummate craft designer Marie Browning offers dozens of unique projects for turning photos into home decor and gifts, as well as easy-to-learn collage techniques for scrapbooking, laminating, decoupage, jewelry making, and transferring images to a variety of materials. There are even tips for getting a great picture in the first place, and for storing them, coloring them, and manipulating them on the computer. An entire chapter focuses on creative displays, with advice on effectively grouping and framing photographs thematically.
