**Marthe Le Van : Creative Tabletop Fountains: 30 Projects to Renew Your Spirit** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Tabletop Fountains: 30 Projects to Renew Your Spirit:

2 of 2 people found the following review helpful. Table Top Fountains By RetroReader Bought this and a few similar books used. Great ideas, some technical tips. Makes for some fun projects. Fountains are relaxing. You can use some found objects, pottery not put to any present purpose, stones, and very inexpensive pumps, plastic tubing, and copper tubing. Quality photography. 0 of 0 people found the following review helpful. Very clear By Patricia C Beck There are some really great designs in this book. The instructions are clear and the supply list is really helpful.

It takes only a few materials, basic crafting techniques, and a very small investment to make a Bubbling Water Garden, Moss Grotto Fountain, Slate Obelisk, Panda Paradise, and 26 more water features. The interest in indoor fountains has continued unabated. Le Van provides additional ideas [and]...step-by-step projects.... This is a good selection for public libraries. Library Journal.

From the Back Cover Bring the soothing, renewing energy of water in motion into your home with stunning tabletop fountains. These projects offer all of the relaxing benefits of larger, outdoor fountains as well as stylish good looks. They'll suit every type of decor and enable you to try a variety of craft and construction techniques. Many of the projects celebrate the beauty of nature with such timeless items as rocks, slate, and bamboo. Others feature the clean, contemporary textures of glass, plastic, and metal. The beautiful location photography is inspiring; information on related topics such as Feng Shui, air plants, and Suiseki let you add personal touches to suit your environment. Turn any room into a sanctuary by building a tabletop fountain to rejuvenate and renew your spirit.
