**The Editors of Creative Publishing international : Creative Window Treatments : Curtains, Shades, Top Treatments No-Sew Styles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creative Window Treatments : Curtains, Shades, Top Treatments No-Sew Styles:

2 of 2 people found the following review helpful. Great IdeasBy L. WordenI received this book in very good condition just as promised and in a timely manner. Although I have not actually tried any ideas in this book yet, I plan on taking my time and finding the "right" window idea for my bedroom. It seems to be a very informative book, easy to follow detailed instructions with some different approaches to windows. Glad I ordered it and would do buy it again.0 of 0 people found the following review helpful. Five StarsBy heatherWonderful variety of window treatments0 of 0 people found the following review helpful. Window TreatmentsBy joyce a O'dellThe pictures are dated and the instructions

were not that helpful. I wanted to make some drapes, but this book was not what I was needing.

**About This Book:** We're freshening up an old favorite! *Creative Window Treatments*, from the Arts Crafts For Home Decorating series, has sold over 300,000 copies since it was first introduced in 1992. This new take on that original book offers all of the tried-and-true content for basic window treatments, with updated fabrics, styles, and hardware, and features some newer techniques when needed. Both photos and text have had minor revisions, giving the book a more contemporary feel while maintaining the how-to content that everybody loves. **Highlights:** An updated revision of an all-time Arts Crafts series bestseller. Features strong how-to instructions for basic window treatments, including expert advice on installing hardware. Ideas to create professional quality window treatments. Covers basic window treatments, designer window options, top treatments accessories. Includes no-sew projects and techniques, like etching, faux stained glass, silk and dried flower arrangements and creative uses of shelves and shutters. Full-color step-by-step photos and illustrations show the reader how to create simple rod-pocket curtains to more advanced swags and cornices.

**About the Author**The editors of Creative Publishing international have created dozens of best-selling titles in the fields of home repair, home improvement, home decor, and landscaping.
