3 of 3 people found the following review helpful. Creativity Tips for Scrapbookers By Mary Ann Hurt This book is packed with amazing ideas. I sit and read it every evening and then put some idea to use the next day in a scrapbook or card. I would highly recommend this book to spark your own creativity ideas as well as using theirs. It is an incredible book to keep and look in every spare moment and especially when you have a creative block! Wow what a great book. 2 of 2 people found the following review helpful. a must-have By Customer I simply LOVED this book. I have been scrapbooking for some years now and I have LOADS of books on the subject. This is one I consider among the top 5. The best part of it is how the authors show many mixed-media techniques that can be used to

scrapbooking. Pages are beautiful, techniques are creative, many, MANY ideas. Highly recommended! 0 of 0 people found the following review helpful. Other reviews say it's great! By loves to bake Sadly I didn't receive this book, I ordered it based on other reviews. My experience with similar books has been great. Based on others reviews I would recommend trying this book.
