Not much information By p collet This book has some interesting pictures but not a whole lot of useful information for florists. 0 of 0 people found the following review helpful. Great Book... By Thomasi Boselawa Very inspirational in every sense of the word. Very creative designers. Book arrived on time and will be glad to do business with this seller again. Thanx.

In this brand new series, Tomas De Bruyne, Per Benjamin and Max van de Sluis of Life 3 share their knowledge and experience with young professionals and with everyone passionate about floral designs. Step by step they show the reader how certain techniques are done, each making seven creations around one central theme. Go backstage with these fantastic books and learn from the masters!
