Barbara H. Donnelly : Crewel Needlepoint World before purchasing it in order to gage whether or not it would be worth my time, and all praised Crewel Needlepoint World:

In this delightful book - richly illustrated with more than 80 large, full-color illustrations - every step of successful needlepoint and crewel procedure is made easy for the beginner and more fascinating than ever for the experienced needleworker. With the added guidance of more than 50 simple-to-follow diagrams, and special attention to moneysaving ways to transfer one's own selections of designs to fabric, this book makes it a joy to get truly professional results.
