Julie Oparka : Crochet-opedia: The Only Crochet Reference You'll Ever Need before purchasing it in order to gauge whether or not it would be worth my time, and all praised Crochet-opedia: The Only Crochet Reference You'll Ever Need:

8 of 8 people found the following review helpful. Crochet Help! By Yorkie Lover I received this book on time, great packaging and briefly reviewed some of the content. It is clear and concise, plus the added bonus of stitches I (a highly experienced crocheter) that I didn't even know existed! 1 of 1 people found the following review helpful. As a new crocheter it has been very informative and pictures help to make learning process so easy and the explanations are very good. By Mike I am enjoying Crochet-opedia. As a new crocheter it has been very informative and pictures help to make learning process so easy and the explanations are very good. I highly recommend. 9 of 9 people found the following review helpful. Astronomical Book for Any Craft Library By kraftee Whether you're new to crocheting or just need to brush up on a few things, this book certainly has it all covered.

Encompassing the full range of key crocheting techniques, this guide is designed to help the reader learn and master each skill before moving on. With step-by-step instructions, color photographs, detailed diagrams, and enticing patterns, Crochet-opedia will appeal to newcomers as well as advanced crocheters. An array of fun and fabulous projects help the reader to progress, and exploring advanced techniques such as working chainless foundations, thread

crochet, and garment construction will give the reader confidence to try alternate crochet methods. Crochet-opedia also comes complete with a handy stitch directory, allowing the reader to browse through thumbnail photographs to easily choose a crochet stitch.

Crochet reference works are much less common than ones for knitting, and this one has all of the basic information crocheters will want to have on hand. Library Journal This book is not just for people new to crochet. The projects include simple, intermediate and advanced patterns. Master intarsia by crocheting a pillow of design shapes in primary colors. Paula Moliver, examiner.com About the Author JULIE OPARKA is a crochet instructor and president of the Michigan Stitchin' Time chapter of the Crochet Guild of America. She designs patterns for the home and ladies' accessories for Red Berry Crochet. Her patterns have been featured in national magazines.
