Pat Olski, Lewis Carroll : Crochet Stories: Lewis Carroll's Alice in Wonderland before purchasing it in order to gage whether or not it would be worth my time, and all praised Crochet Stories: Lewis Carroll's Alice in Wonderland:

0 of 0 people found the following review helpful. Story and Patterns in one book! I love it! By Deborah Cullins Smith I love this book! Not only do you get amazing patterns to crochet, but you get the story line in bits and pieces to read to your little ones as you make the toys! What a wonderful idea! 0 of 0 people found the following review helpful. Win win By Simnut Great book with a cute story line, plus the patterns. Win win! 0 of 0 people found the following review helpful. Crochet Stories: Lewis Carroll's Alice in Wonderland By Delta High School Library Received an advance reader copy in exchange for a fair review. Thanks to Dover Publications and NetGalley for the opportunity to read and review Crochet Stories: Lewis Carroll's Alice in Wonderland by Pat Olski. This book is a feast for crocheters and readers combined. The crocheted characters are introduced through excerpts from Lewis Carroll's Alice's Adventures

in Wonderland and right after the story sections, comes the crochet projects' details. The key of crochet abbreviations is at the beginning of the book and each pattern uses these abbreviations. The detailed instructions give information on finished measurements, materials needed and the gauge of stitches per row and number of rows when complete. The colored photos of the finished products are too cute to not crochet! My favorite photo is of Alice, the dormouse, the Mad Hatter and the tea set - all crocheted pieces. The Queen and King are comically cute. The skill levels for crocheters are easy and intermediate. There are even patterns for a croquet card arch and a flamingo mallet. Adorable and fun! 5 stars!

"A feast for crocheters and readers combined. Adorable and fun! 5 stars!" The Thought Spot Everyone should visit Wonderland, and these charming crocheted characters bring Lewis Carroll's enchanted kingdom to magical life. Appropriate for intermediate to advanced crocheters, this collection of eighteen patterns presents clear, well-illustrated instructions for creating imaginative renditions of personalities and props from the classic tale. First and foremost is golden-haired Alice herself, both in her normal, child-sized form and also in a miniature version. Other characters include the White Rabbit, the King and Queen of Hearts, the Caterpillar and his mushroom perch, the Dodo, the Mad Hatter and Dormouse, and the grinning Cheshire Cat. A variety of accessories consist of a tea pot and cups for the mad tea party; a flamingo mallet, hedgehog ball, and playing-card arch for a game of croquet; a rose bush with red and white blossoms; and a cake and bottle to provide Alice's transformations in size. Crocheters will delight in each of these whimsical patterns, and their handiwork will result in keepsake treasures.

About the Author Pat Olski is a knitwear designer whose designs have been featured in many issues of Vogue Knitting, Vogue Crochet, Knit Simple, and Noro magazines, as well as in a variety of books ranging from Debbie Bliss's "Creative Cables" to the Cascade "60 Quick" project series. She has designed numerous patterns for major yarn companies. Pat is the author of three crochet booklets, as well as the books "Alice in Wonderland" in amigurumi and "Fairy Tales, Fables, and Folklore" in her proprietary yarn craft "Yarn Whirled". Her books, "The Wizard of Oz" in amigurumi and "Yarn Whirled : The Royal Family", will be published in summer 2017.
