Wonderful Book with a great way to quilt as you ...By CustomerWonderful Book with a great way to quilt as you go with a twist that makes this quilting method unique, as a passionate quilter I really enjoy this book and it's method.0 of 0 people found the following review helpful. Great BookBy Jeanne D.One of the best rag quilting books I've read. The patterns are creative and the instructions are clear and easy to follow.

These rustic lap quilts and throws designed by Sheri Bignell are fast and fun to make. They feature ragged, exposed seams for an old-fashioned prairie look.
