We have already made several items from this book, most notably, the Indian maid and brave for Thanksgiving. 0 of 0 people found the following review helpful. Two Stars By JERRY BURRIS Ca Was not able to find anything to use in this book. 1 of 1 people found the following review helpful. So Creative By Patricia Ann Orban I enjoyed making the elf candy dishes for Xmas and my grandchildren loved their Halloween gifts this year each made specifically for them and their personalities. My only problem was finding specific items needed for some of the crafts so I had to improvise. Not so bad, they became my works of art!!
