Celebrated artist Ron DiCianni creates a unique keepsake for parents who want to preserve, protect, and pray for their child's spiritual wellbeing. Filled with unique ideas such as partnering with other parents to pray for your children and journaling important life details you want to impart to them, this 48-page record keeper also has guided text and ample writing space to ensure that their childhood is captured in loving memories. Original prayers and artwork by Ron DiCianni are exquisitely coupled with wonderful quotes, life-affirming Scriptures, and loving stories of parents who prayed diligently for their children. This personal and heartfelt journal is the perfect gift for any parent, grandparent, or adult who is concerned about the spiritual journey of a child.

Train a child in the way he should go, and when he is old he will not turn from it.
