accessories, Melania with five outfits, Eric and Donald Jr. together with no outfits, Ivanka with one outfit, and Tiffany with one outfit. There are no stands for the dolls. Also their outfits are made from the same paperboard as the dolls. I'm glad I bought them for my collection and not to play with. 0 of 0 people found the following review helpful. Five Stars By RushA "must-have" for all Trump fans. 0 of 0 people found the following review helpful. Five Stars By Jaris L. TrawLove this paper doll!

Mark Inauguration Day 2017 with this paper doll collection of the new First Family! Donald J. Trump shocked the world with his historic run for the White House and you can celebrate his election with this special inaugural edition of the Trump family paper dolls. Six realistic models portray the 45th President, his wife Melania, and his sons and daughters. A dazzling full-color wardrobe of accurately re-created apparel features the clothes the Trumps wore to the daytime inauguration ceremony as well as their sumptuous evening wear for the balls and galas. Bonus outfits include ensembles from key stops along the campaign trail.
