Happy patchwork holiday! Celebrate the season with the second in our Pretty in Patchwork series. It's a very merry collection of absolutely adorable projects from the popular Quilt Dad blogger and friends, including pieced polar bear and penguin pillows, a too-cute pillowcase and matching hedgehog stuffy, stockings, ornaments, tree skirts, and more. Of course, there are assorted quilts of all sizes, too. With a robust basics section, color step-by-step illustrations, and

color variations throughout, *Pretty in Patchwork: Holidays* will help you deck your halls in style!
