Gene does a wonderful job with instructions, pictures and is a fountain of knowledge on the subject. A must for the rug hooker's library! If you are a Gene Shepard fan this book is a must. 0 of 0 people found the following review helpful. Amazingly Great at Explaining How To Do It By Sue E. Ramsey I want to make some projects to take to a nearby flea market that is located in the NC Mountains. I thought some 3D effect would add a nice touch. I have to say I'm not the easiest learner from reading instructions, I'm more of a hands on by watching someone. Well this book does both, you read the step and look at the picture and BAM there is what you want yours to look like. Thanks Gene for making this new adventure a little easier. Great book with lots of

nice pictures of his work and others. 0 of 0 people found the following review helpful. Great book....By Sleighride  
Excellent book, perfect transaction, fastest shipping, Great seller. This book teaches you everything you need to know about the "proddy method"...Gene Sheperd is the greatest. All of his books and DVD's are great teaching methods, easy to understand. Thanks once again for a great book, great prices....

Uncover the history and background of traditional proddy Offers techniques for different prodding methods and describes other forms of three-dimensional rug hooking Step-by-step instructions and templates to create realistic-shaped proddy flower petals plus includes a special table-runner project, full-size pattern insert, and instructional DVD  
Three-dimensional rug hooking is gaining momentum in the fiber arts field as a way of accessorizing traditional work. Gene Shepherd gives a comprehensive look at the origin of prodded rugs and gives step-by-step instructions to achieve the look of realistic flowers and leaves. Beginning with the background of traditional prodded hooking and methods to do it, he covers realistic-shaped proddy flowers, molded hooking, decorative knots, and backgrounds that appear three-dimensional. Learn how to use pancake-dyed wools and alternate loop (beaded) techniques. Includes an instructional DVD.

From the Publisher 120+ color photos. Includes an instructional DVD, templates, and full size pattern.  
About the Author Gene Shepherd is well known in the rug hooking world as a teacher, blogger, designer, and author. He is director of Cambria Pines Rug Camp and is a frequent contributor to Rug Hooking magazine. He teaches and blogs from his home studio in Anaheim, California.
