Especially during a tough time = share some hugs and create smiles when you really need to. I have six extra on my shelf now, just waiting to spread some dragon magic. I love this book, it is for us big kids and sturdy enough for younger children. Dawn0 of 0 people found the following review helpful. My daughter loved this bookBy Iris BoantaMy daughter loved this book. The dragons are easy to assemble and fun to play with. Wish there was a series!0 of 0 people found the following review helpful. The pieces pop out very easily, and go together nicelyBy smart shopperThe pieces pop out very easily, and go together nicely. Thick pages. They are super adorable and a fun little activity!

These vivid punch-out dragons are fun for fantasy fans and hobbyists of all ages. Suitable for ages 5 and up, the book contains eight different, easy-to-assemble models. The pieces are printed on sturdy stock and completely interchangeable, providing virtually limitless combinations. One of the models is even designed so kids and crafters

can color it any way they choose!
