Toshie Takahama : Quick and Easy Origami Christmas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quick and Easy Origami Christmas:

0 of 0 people found the following review helpful. Some cute things in here By Kindle Customer And with patience, I actually could fold the designs. It has some classic folds in the back, like how to fold a perfect pentagon.

A Christmas companion to her bestselling Quick Easy Origami, this boxed set provides everything needed to make dozens of delightful and original holiday decorations--stars, Christmas trees, Santas, even an origami sleigh complete with reindeer.

From the Publisher Repackaged in a new handy box with 90 sheets of special origami paper Quick Easy Origami Christmas is a delightful spin on traditional Christmas decorations by the author of the best selling Quick Easy Origami. Included are instructions for making a Christmas tree, a reindeer, a star, a snowman, a candy cane, and much more. The pocket-sized book lies flat when open like a spiral-bound book. The clear step-by-step diagrams for beginners are simple enough for children to follow. A retired news writer, Toshie Takahama became one of the world's foremost origami experts. She traveled to the US and Europe and to various world fairs to demonstrate her craft. A member of the Origami Center of America and the British Origami Society, and she also served as President of the Origami Study Group in Tokyo. She wrote numerous books on the subject and taught origami all over the world until

her death in 1999. About the Author Toshie Takahama is a Kodansha International author.
