Fun and easy!By ChefQuilterI love the cute designs in this book! Simple, bright, easy to make. The instructions are clear and straightforward. I've already made two of them - made both tops in a few hours on a Saturday afternoon. The designs are intended for fusing/machine applique, so the hardest part is digging through your stash for best colors! And all 10 designs are the same size, so they'll be easily interchangeable on your 14" quilt hangar.I highly recommend for all skill levels!6 of 6 people found the following review helpful.
