following review helpful. Wilderness quilts for kidsBy DashI thought this was a great book. My son who is 10 years old worked on it with me.. He did the applique and I pieced the other pieces. In one day we got most of the squares done. The book was easy to follow and the results are wonderful.. He loves his quilt and I am proud to make it...I reccomend this to anyone who wants to work with their children.

Debbie Field brings the wonder of the great outdoors indoors with her spectacular north woods designs. She has created fabulous quilts and projects to make for kids of all ages including: Bear Hugs.
