**Becky Goldsmith, Linda Jenkins : Quilts with a Spin - Print-On-Demand Edition** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Quilts with a Spin - Print-On-Demand Edition:

30 of 31 people found the following review helpful. Excellent! A+By Jerilea HendrickMs. Goldsmith and Ms. Jenkins have done it again! If you've enjoyed their previous books about quilting and applique, you'll enjoy this one too! There are a variety of designs; just looking at them gives me ideas for many different types of quilts everything from the usual bright, sparkly, fun Piece O' Cake color ways to romantic, folk, traditional and contemporary. Most of the designs in this book have curved piecing, which the authors give clear and concise directions to help you. Many of the patterns in the book also have paper piecing sections. Though, previous knowledge of either Piece O' Cake designs or previous knowledge of paper piecing/curves may be helpful they are not a prerequisite. An adventurous beginner could easily dive right into any of the patterns without difficulty. The authors have excellent directions for all of the various techniques involved in all of the quilts in the book. I would definitely recommend this book for anyone who loves

Piece O' Cake designs, anyone interested in curved piecing, applique, paper piecing, or anyone with a sense of adventure. A+0 of 0 people found the following review helpful. Five StarsBy sonia ramosLiked it great patterns!0 of 0 people found the following review helpful. I wasn't disappointed....great book.By Happy StitcherDirections good. Patterns very pleasing. Nice colorations of quilt samples.The only thing I don't like is having to go to a printer to have patterns enlarged.I wish the pull out sections would have full size patterns. Just add the extraexpense to the cost of the book. I'd rather give my money to the author and/orpublisher than the printers, which is also very inconvenient.

All new projects from Piece O' Cake feature up-to-date interpretations of classic quilt designs Applique elements are designed for easy stitching the Piece O' Cake way Show-stopping projects for both beginners and advanced quilters Combined piecing and applique gives a distinctive Piece O' Cake twist!
