Eleanor's directions are easy to understand. Photos show each technique "clearly". Radiant Star is an exquisite quilt, and so very impressive! Eleanor sells her fabric kit at [...]. It's all there. I didn't think I could do this quilt justice, but, but I did! I have more of Eleanor Burn's books than I care to admit! All EXCELLENT! She's the best quilt teacher out there hands down. You won't be disappointed in this publication. Eleanor's Books are the BEST! Love it!4 of 4 people found the following review helpful. Another star for Eleanor Burns!By DingoI wanted to make this radiant star into a quilt, but everyone told me it would be really hard.Every book I went to for instructions proved them right. Then a friend gave me a book

about radiant star quilts written by Eleanor Burns published in 1990 and it even looked harder. So, when I found this current one available at I took a chance and ordered it. Great decision because it made things easier to understand and the color graphics were great and so easy to follow. Eleanor Burns you did it again. 0 of 0 people found the following review helpful. Five Stars By kenWife was excited to receive the book

Radiant Star has traditionally been one of the most recognizable quilt patterns and until now among the most difficult. Eleanor Burns has done it again with detailed, no-fail directions, making this star easy, fast, and most of all fun to put together. Inspiring photos of a variety of quilts show some of the many colors and styles in which the Radiant Star can be made. The possibilities are endless. Updated methods and tools are used to create strikingly beautiful starbursts of intense color and diversity.

About the Author Over thirty years ago Eleanor Burns introduced her first Quilt in a Day book, cultivating a quilt-making revolution. She presented her unique style, a diverse combination of cutting and sewing applications, creating new techniques altogether. Her concise, step-by-step directions were easy to grasp, allowing anyone to be successful at making a quilt. Eleanor Burns gave quilt makers techniques that compacted months into merely a day—a quilt in a day. Today, as she continues to passionately devote herself to nurturing and motivating thousands of want-to-be quilters with needed self-confidence, her name and techniques have become synonymous with quilt making. She has authored over one hundred quilting books and patterns.
