Lisa Brown : Ribbonwork: Decorative Ideas to Embellish the Home (Inspirations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ribbonwork: Decorative Ideas to Embellish the Home (Inspirations):

Ribbon has been used throughout history for decoration, and its versatility and ability to transform items in an instant make it an irresistible material for interior designers at all levels. Ribbonwork presents more than 20 practical project ideas, and brings together both traditional techniques and quick short-cuts with exciting results. Today's choice of ribbon textures, colours and styles mean that an astonishing array of effects can be achieved, and by mastering a few simple techniques you will be able to turn the everyday into something truly special. Designed to suit all levels of experience, the projects range from beautiful bows for wrapped gifts to weaving and applique treatments for furnishings and fabrics. Other projects include simple edgings for pillowcases, throws, shelf trims and stationery; Christmas tree decorations; and an embroidered trinket bag. The stunning ideas, presented in over 270 beautiful step-

by-step photographs, are guaranteed to delight and inspire. With clear instructions to take you through the projects, and a useful techniques section to help you master the skills involved, Ribbonwork will allow you to create fabulous embellishments for your home with confidence and success.

About the Author Lisa Brown trained in interior design at the Chelsea School of Art in London. She was previously Style Editor of Inspirations and works as a freelance creative stylist and journalist for a variety of leading home magazines.
