**Gerald L Findley : Rope Works Plus** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rope Works Plus:

ROPE WORKS PLUS is a sequel to and an expansion of the author's original book, ROPE WORKS. ROPE WORKS PLUS is a more detailed work that provides a description of each knot, the knot's uses, other names when available, and informative comments. The step by step graphics of each knotboard are enhanced by a narration describing each step. As well as the knots, hitches, splices, and lashings, ROPE WORKS PLUS also includes chapters on netting, rope making, making and using simple pioneering tools, and pioneering models.
