Rosie O'Donnell : Rosie O'Donnell's Crafty U: 100 Easy Projects the Whole Family Can Enjoy All Year Long
before purchasing it in order to gage whether or not it would be worth my time, and all praised Rosie O'Donnell's Crafty U: 100 Easy Projects the Whole Family Can Enjoy All Year Long:

0 of 0 people found the following review helpful. Love Rosie's Crafts!!By bubblechampI haven't tried the crafts yet, but I looked through the book. I'm looking forward to making crafts again. The directions seem easy to follow. Plus, Rosie's crafts allow you to use your imagination, which I love. I've watched her demonstrating crafts several times on tv and she makes it look so fun. Best of all, there's no "wrong" way when it comes to creativity. If she's using sea shells, for example, and you want to use buttons or stones, the project will still work! These projects are good for children and for crafting with your children.0 of 0 people found the following review helpful. Rosie O'Donnell's Crafty U...By ChrisonlyI bought this book as a gift for someone for next Xmas and I have to say that the craft ideas are fun

looking for not only children but adults too. The different projects are well explained and there is a list of web resources for arts and crafts stores inside. This is a fun book for children and families and makes a great gift idea. 1 of 1 people found the following review helpful. I really wanted to like this one....By M. BuehlI bought this after seeing one of the crafts from the book featured on a blog and then reading the positive reviews on .I'm a little dissapointed, the book is just okay. The crafts just don't seem original or all that crafty....for example painting canvas sneakers, friendship bracelets with embroidery thread, tie dye (with little direction, if any on what type of dye to purchase), painting plates, using pushpins to decorate pillar candles... just not what I was hoping for. Three stars for the nice layout and pictures and hope that these will be crafts my daughters will take pride in doing on their own when they're older, maybe in the tween years.

Bring out the craft supplies and roll up your sleeves! Rosie O'Donnell's Crafty U will give "U" all the help you need to entertain your kids throughout the year. From television personality, children's advocate, and veteran crafter Rosie O'Donnell comes a fresh and fun collection of 100 easy craft projects for parents and kids (age 5 through 12). Projects include bunny piatas for spring, tie-dye T-shirts for summer, creepy costumes for Halloween, very merry garlands for the holidays, Valentine's Day bouquets, and much more. Packed with practical advice, step-by-step instructions, and gorgeous full-color illustrations, Rosie O'Donnell's Crafty U offers plenty of inspiration for craft projects the whole family can enjoy on holidays, rainy days, or any "crafty" day!

About the Author Rosie O'donnell is the founder of Rosie's For All Kids Foundation, which supports early childhood care and education programs, as well as Rosie's Broadway Kids, a program that brings musical theater to New York City public school children. An Emmy Award winner, she is also a New York Times bestselling author and mother of four.
