Annie's : Say It with Style 2: Inspired Quotes for Every Card-Making Occasion before purchasing it in order to gage whether or not it would be worth my time, and all praised Say It with Style 2: Inspired Quotes for Every Card-Making Occasion:

12 of 12 people found the following review helpful. Great book for any card maker!!!By SnoopyBearI purchased this book because I make ALOT of cards and sometimes I run out of things to say. There are also time where I know what i want to say but don't know how to put my thoughts into words. And that is where this book comes in handy. All of the quotes are listed together so you know exactly what page to refer to when you have the card complete. I would definitely suggest this book to any card maker or anyone who would like to say the right thing at the right time. I am so glad I added this book to my card making supplies.4 of 4 people found the following review helpful. Covers just

about any Occasion
By D. Riley
This book is a must have if you make your own cards or for anyone that has trouble finding the right words when having to write a short note to someone. You'll find a quote for most any occasion in this book; it's well written. Some are funny and others are just straight to the point or very thoughtful. I definitely do not regret having bought this book and have used it a few times already to help me write some difficult cards. I don't always use all of it verbatim; sometimes I just use the quotes as a start to help me write just the right thing for that special someone.

By C. B.
I enjoy making cards using Anna Griffin kits but many times I want something "special" written inside so I took a change on ordering this book. I am SO glad that I did. It has wonderful sayings and many really heart felt. They are broken down in themes and some religious ones too which I am thankful for!! The book is big! I was surprised at the size of it. It is about the same size as a coloring book. It will be a very helpful tool in my card making. Buy it you won't be sorry.

Finding the perfect quote or sentiment to compliment a well-designed layout can trip up even the most experienced cardmakers, but with this compendium of more than 1,000 phrases and expressions, crafters will never again be at a loss for words. Ideal for scrapbooks and greeting cards, the quotes in this book range from humorous to inspirational to thought-provoking, and they are organized into categories such as Birthday, Christmas, Encouragement, Family, Friendship, Get Well, Holidays, and Milestones, among many others.
