Sarah Mason, Karen McIvor : Scrapbooking Kit before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapbooking Kit:

0 of 0 people found the following review helpful. Very nice scrapping book By Denny This kit was a Christmas gift for my daughter. It is very nice and she used it a few times. It's still sitting around our house seven years later and we occasionally use the paper to make crafts. 1 of 1 people found the following review helpful. Scrapbooking Kit By Annie This was the first kit I purchased, when I started scrapbooking. I wasn't sure I would enjoy scrapbooking so I decided to buy a kit instead of investing in all the materials I would need to start one from scratch. This kit was perfect. It has layouts of pages, ribbons, buttons, tags etc. 0 of 0 people found the following review helpful. Agree Disappointing By ERP Really Small, almost no pages and a few ribbons and sequins. It would have been a better deal to buy materials and build one of my own.

Preserve your treasured photographs and memories with a scrapbook album and turn your favorite moments into works of art. This is the perfect starter kit containing a specially made mini-album just right to your pictures safe. Use it to commemorate an anniversary or birthday, a special journey or a new addition to the family. Archival quality materials ensure that your precious photographs don't fade or get brittle with age, preserving them for future generations. Combine your photographs with a few specially chosen words so that you will never forget those

important events in your life. This kit will make a lovely gift in its own right--filled with special memories it is the ultimate personalized present. Kit contains: Mini scrapbook album, 6" x 6" in a presentation box.; Reinforced post-binding takes extra refills; 10 top loading plastic sheet protectors; 10 sheets archival-quality specially decorated scrapbook paper; Alphabet stickers and press out, dye-cut frames to decorate your page; Decorative brads and shaped paper clips to hold important images in place; Beautiful ribbon and frames that will add that special touch; Acid free glue for paper and embellishments; Archival quality pen - acid free, water-based - to safely label your pages; Detailed instructions on how to transform your treasured keepsakes, with inspirational ideas for framing and cropping photographs.
