Should never use anyone else's work but as inspiration, this book is great. 1 of 1 people found the following review helpful. Scrapbooking off the Page... And on the Wall By M. A. Perlmuter I am very impressed with the ideas and photography in this book. There are many wonderful ideas on how to use mix media from scrapbooking supplies, fabric, wood and much. Many pages are of wall art but, also ideas to make the wall art functional as well. This is a book I will pick-up often for inspiration. 0 of 0 people found the following review helpful. Very Cute Ideas By L. Hightower I am so excited to get more cool ideas for fabulous new heirlooms in a new unique way! Love it and yet a bit challenging but really inspirations!
