Shannon Brinkley : Scrapy Bits Appliqu: Fast Easy Fusible Quilts 8 Projects Foolproof Technique before purchasing it in order to gage whether or not it would be worth my time, and all praised Scrapy Bits Appliqu: Fast Easy Fusible Quilts 8 Projects Foolproof Technique:

0 of 0 people found the following review helpful. DisappointedBy Amanda GrieserI found the book to be helpful on some things. I noticed the pattern directions, Shannon Brinkley free tutorials on satin stitch/image transfer and the book was very confusing.For example; On the pattern she said to use misty fuse or wonder web but on the pattern it says paper backed fusible (wonder under) for the image transfer.I felt like I was trapped into buying her online class to be able to see how she does each step. I am very discouraged with the directions/technique.3 of 3 people found the following review helpful. This book will inspire you to make beautiful, fun quilts for yourself and othersBy

Candace Shannon Brinkley's book, *Scrappy Bits Applique*, provides loads of information on how to fashion quilts using different sizes of fabric scraps. Shannon gives clear instructions and helpful hints to help you assemble unique and exciting quilts of different sizes. The book is bright and colorful, with precise measurements to help the quilter. There are pattern sheets in the back of the book to enable you to do some of Shannon's projects. Shannon's background as a teacher shines through in her clear, easy-to-read instructions. This book will inspire you to make beautiful, fun quilts for yourself and others. 1 of 1 people found the following review helpful. Truth: easy and fast for the creative and not so creative person. By Kindle Customerqw There are some cute patterns and some patterns, like the ones of various cities capitals, are great for gifts for someone who comes from that city or state. Directions are easy to follow and give great leeway for one's own creative juices. I have made several and plans for more in the future. So if you are in the mood to ply your craft with your artistic juices, this is the book for you.

With its easy stitching techniques, *Scrappy Bits Applique*, shows how simplicity can produce dramatic results. You'll learn a fresh and fast scrappy approach to quilting, using a fast raw-edged technique. Guided by step-by-step instructions, you'll learn how to intuitively choose, cut, and sew bits of fabric to create a collage of unique images and textures. Included are eight engaging quilt projects to try out your new skills.
