Compiled by Susanne Woods : Scraps, Inc. Vol. 1: 15 Block-Based Designs for the Modern Quilter before purchasing it in order to gage whether or not it would be worth my time, and all praised Scraps, Inc. Vol. 1: 15 Block-Based Designs for the Modern Quilter:

7 of 7 people found the following review helpful. great book for scrappy quiltsBy P. Leali got so many more ideas on using string strips. loved that each designer had a tip.6 of 7 people found the following review helpful. Pretty quilts butBy flyingpinwheelPretty quilts but... These are not true scrap quilts. They are modern in the aspect of using leftovers from a collection. For instance, Unraveled' uses 4 1/2 yards of white background with pretty good areas to practice your free-motion quilting. Finished quilt is 68x85, nice twin size. If you are good at color theory you'll love this book.3 of 3 people found the following review helpful. Love this book.By Diana L. CombsGreat pictures and instructions.

Recycle your scraps. Is your mountain of scraps in danger of toppling? Now's your chance to make fantastic, edgy quilt designs from your beloved fabric remnants of past projects. The new and inventive patterns in *Scraps, Inc.: 15 Block-Based Designs for the Modern Quilter* will help you piece together your treasured scraps into a stunning new quilt. 15 budget-busting, modern quilt designs. This project-based book features 15 unique quilt designs by well-known designers and it is aimed at the experienced modern quilter. Save money as you sew by piecing together stunning new quilts from your stash of fabric scraps. Use your scraps from previous projects Get inspired by these innovative designs Make a loving reminder of all the quilts you've gifted over the years Choose from a wide range of projects from simple to advanced This is not Grandma's quilting book. An industrial setting serves as a dramatic backdrop for the edgy photographs throughout the book juxtaposing dark and moody backgrounds with the robust, bright colors of these modern quilts. A visual delight, this beautiful book treats you to over 100 vivid photographs that will inspire you to see your scrap pile in a whole new way. Tackle tricky color combinations. Scrap quilts are hard to design due to the variety of color challenges introduced by random scraps. The modern patterns in this book help solve those issues with clearly illustrated color schematics and tips on color harmony.

"Lucky Spool is the new name in quilt-related publishing and as far as we can see, it's dedicated to producing beautiful books with well-picked design talents. *Scraps, Inc.* is one of its first heavy hitters - a compilation of genuinely gorgeous modern quilts that are sure to make your scrap pile happy...the collection is varied and well crafted. We want to make them all! The best thing is that this is only volume one, which means we can look forward to more in this vein from Lucky Spool going forward. We can't wait already!" - *Quilt Now* magazine

About the Author Lucky Spool is an illustrated book publisher within the crafting space located in Colorado. The Publisher, Susanne Woods, sits on the board of the National Modern Quilt Guild and has been an active part of the book publishing and quilting industries for over 10 years.
