**Judy Martin : Scraps** before purchasing it in order to gage whether or not it would be worth my time, and all praised Scraps:

0 of 0 people found the following review helpful. Love it!By CustomerWonderful book full of patterns and tips/tricks for the quilter.1 of 1 people found the following review helpful. This is an excellent book. I am planning to make several of ...By DKThis is an excellent book. I am planning to make several of these quilts.0 of 0 people found the following review helpful. Five StarsBy Linda CopeWill buy more of Judy"s books.

Scraps features 16 new and original Judy Martin designs. Every quilt is presented in 3 sizes so you can make the design you like in the size you want. You are given your choice of accurate rotary cutting instructions or templates. Fat quarter requirements and yardage are listed for every quilt in every size. Color diagrams show piecing details. And every pattern is rated for ease of cutting, ease of sewing, and ease of thinking. Perhaps the greatest challenge with

Scraps is in deciding which quilt to make first! Several quilts feature shadows and other dimensional effects that make patches appear to float over the surface of the quilt. You'll find an abundance of stars, including a magnificent Lone Star. In addition you'll see a Log Cabin, a Wedding Ring variation (with no curves!), an exotic Nine-Patch, a beautiful flower quilt, and much more. Scraps is more than just patterns. The upfront material draws upon Judy's 37 years of making quilts from scraps. She offers basic quilting information plus scrap quilt cutting strategies, techniques for sewing with scraps, suggestions for building and organizing your stash, and ideas for working with color and style in scraps. Whether you're looking for a pattern that is clearly simple, surprisingly easy, or stunningly beautiful, your next quilt should be made from Scraps.

About the Author For two decades no one has been more closely identified with Scrap Quilts than Judy Martin. That was true in 1985 when she wrote the all-time classic book, *Scrap Quilts*. It's even more true today. *Scraps* is Judy Martin's 18th book in an amazing career that dates back to 1979 when she began working as an editor at *Quilters Newsletter Magazine*. Among Judy's many popular titles are *Pieced Borders*, *Judy Martin's Ultimate Book of Quilt Block Patterns*, *Taking the Math Out of Making Patchwork Quilts*, and *The Creative Pattern Book*.
