Garbage, a waste of moneyBy Daniel C. HarrisDon't waste your money, you would be better off reading the weekly world news, it's printed on better paper.1 of 1 people found the following review helpful. Text is not readable .By Ross Stewart AndrewImpossible to read- the text is so lightly grey that most pages look blank. Extremely dissatisfied! I would recommend a NO-BUY- on the pages that "CAN" be read, the information is short and sweet. I would not waste my money on this. AT ALL.
