From Brand: Lyons Press : The Quotable Cowboy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Quotable Cowboy:

4 of 4 people found the following review helpful. Quotable CowboyBy Team WrinkleThis book takes you back to the way things were when this country was untamed yet perhaps more civilized than today. It's quotes are still applicable, the ideals of character, honor, and integrity run through it. Quotes from John Wayne, Ronald Regan and other greats makes it worth the read. Its a good little read that takes you back to the cowboy way.

More than four hundred poignant, moving, and hilarious quotes about the American frontier.

"A delightful look at the men and women of the American West who still capture our imagination today."--Big Sky Journal
