For the history buff or coin collector, the book is a treasure of facts and humor. The story contains enough twists and turns to make a good mystery, and at times seems almost fictitious. But every fact is documented. Worth digging into! 0 of 0 people found the following review helpful. History and money , good reading By Mr. CJ Cucore learning more about the mint and

how it started , very interesting. my grandfather is listed in this book as well!0 of 0 people found the following review helpful. Numismatic's DreamBy CandycooksThe book is huge! The story is fantastic. Learned a lot about the US Mint from it that I didn't already know.

The incredible story of the history of the U.S. Mint.
