Sandra D. Romashko : The Shell Book: Florida, Gulf, and the Caribbean before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shell Book: Florida, Gulf, and the Caribbean:

This incredibly popular book features full-color photographs of more than 300 seashells that are found along the Atlantic coast from Cape Cod to Florida, in the states on the Gulf of Mexico, and in the Bahamas, Caribbean, and

West Indies. This book is also available with the cover imprint "Atlantic, Gulf and Caribbean."
